Football

I would like to thank Mr. Santos for arranging for our football team to take part in a competition organised by Chelsea Football Club. Although we didn't win the competition, we are very proud of our children for doing their very best.

Here is Mr. Santos' report:

'We all had a wonderful time, and I was very proud to see the children showing great sportsmanship and putting into practice all the skills that we have been developing this term. We didn't get off to the best start, losing our first game 2-0, but the children did not give up. In our next game, we recorded an emphatic 5-0 win before following that up with another comfortable 3-0 win. This set a 'winner takes all' last group game, where we went 1-0 up before succumbing to a 4-2 defeat. Our top goal scorers were our captain (Rhys) and Emilio, with three goals each, with Hamza and Olivia chipping in with two goals each. The players represented us superbly and we were extremely unlucky to be placed in the toughest group of the tournament, with both sides that beat us making it through to the semi-finals.'

Have a great weekend!
